## President's Corner April, 2019

Spring is finally here and our first rally of the season is over. Next up is Spring Fling in May hosted by the Glenda and Vern Serex. The deadline to register for that rally is past, but if you still want to go call Glenda to see if there is any room left at the park (Glenda's number is listed in the Officer Contact List, page 2).

We're still looking for rally hosts and rally ideas to fill out our calendar for this year (see side bar).

Some of you may remember that we used to get RV Life magazine at our frallies fairly often. That was because we had a local rep who called on us from time to time. She retired a few years ago but recently sent me a note including a link to their online site at <http://rvlife.com/>. Take a look at their site (you don't have to sign up but if you do they will send you a digital copy of their magazine that publishes monthly during the RVing season). The magazine usually has lots of interesting and helpful articles. One article on the site currently that may be timely is "How to Keep Bees and Wasps Out of Your RV." I wish I had read that article a year or so ago! Not fun.

### **Membership Directory Update**

The Membership Photo Directory is now available online through our web site in the Members Only section. You will be asked to login with your FMCA number (don't forget the letter prefix). If you have difficulty let the President know. The login passwords were recently updated for 2018.

### **Online Membership Directory**

Our directory is a convenient way to put faces with names of our membership.

If you want a copy of the directory, a member can request one via the web site. Your request will send an email to the webmaster to forward a copy.

Another item regarding information sharing is a **Facebook** page for **Northwest Country Coachers**. Some members already are friends on that social media. If you are interested, feel free to "Like" or "Join"

For this year's Winter Rally, the Club went to Florence, Oregon. The Jesse T. Jones Odd Fellow's park invited the club to use their park located on the edge of the Oregon Sand Dunes. Sibylle, Dana and I checked the park out in October when we were at a Newport get together. The park is very nice with good facilities for a park with its history.

One treat was the wood stove in the club-house. Between the staff and the guys in the club, we enjoyed the fire for the whole rally.

The club was a little spread out, but every one that wanted satellite got it. We had 9 coaches and a guest attend the rally.

We had new members Ed and Marlys Recknagle from Port Orchard attend. Dana and I brought Jack and Louise Harrison from our

local car club. The weather was really nice except for one day with some clouds. Sunny and warm most of the time after a very loud and rainy night.

The park actually has a road to access the dunes, and some of us walked to the top of the dunes on the road while Rod and Teresa Robbins tried to drive their truck on the road, but they didn't make it. They did, however, make it on the dunes on a different road.

Dana and I were the hosts and used the same format for meals that we did last year when we paired off couples to prepare a meal. This worked great as you only need to cook once. All the food was great and there was a full table of deserts each night.

Although the Rally did not start until Tuesday, there were 5 coaches there on Monday, so that night Dana and I fixed Tacos for everyone.

Tuesday evening Robbins and Gables prepared Lasagna and Mac & Cheese with Salad dinner. While removing the Lasagna from the oven the tin foil pan collapsed and dumped the lasagna in the oven, but you know our club, and after scooping it off the oven bottom accompanied by a lot of laughs, we proceeded with dinner. It was a good time and people stayed after dinner to talk.

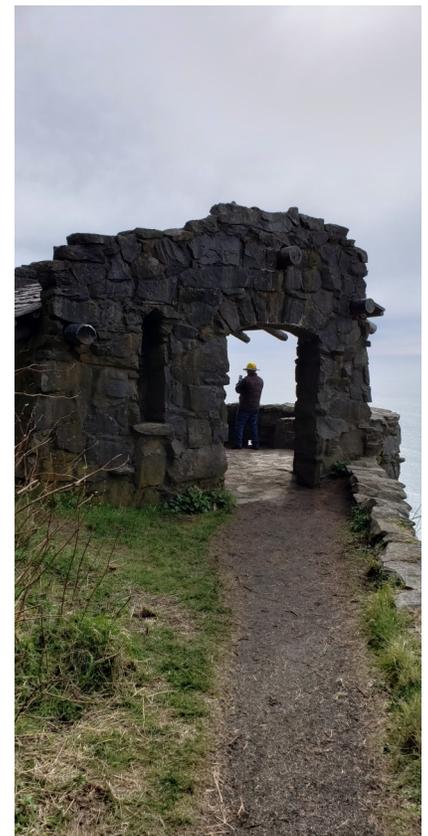

**Wednesday was our dinner out. The park recommended a restaurant that overlooked the ocean. Since this was off season and we planned to bring 20 people, Dana worked with them. We picked our dinner the night before and it worked well. The service was fast and food was hot and wonderful. It was so good that the people who stayed Friday night went back. Again, the food and service were excellent.**

**Everyone presented wonderful meals with many of our members specialties and as always, our club could feed the world and we rolled away from the tables stuffed.**

**There was lot to do in Florence. There are light houses, lots of ocean view points, the Sea Lion Caves, Museums and Geocaching. And, of course the dunes. Too much to see and do in one visit. Everyone had a great time and asked that we book the park for next year, so mark your calendars for **March 10-13th** and join us in the dunes.**

Officials from Army Fisher Houses (NWCCers 2018 charity) has sent the accompanying "Thank You" for contributions made by Country Coach members through a variety of fund raisers during our 2018 camping season. A heartfelt thank you to all who participated.

Salem, OR 97302

Dear Northwest Country Coachers,

We thank you for your recent generous donations of \$1,758.00 to the U.S. Army Fisher Houses Program located in Fort Sam Houston, TX. There were no contingencies attached to this donation.

In Fiscal Year 2018, the 17 Army Fisher Houses located at 11 different Army installations provided 46,300 room-nights of lodging to 3,213 families who had a loved one being treated at a military hospital. Of these 3,213 families, 169 of them were attending a Service member who was injured or became ill while serving in Afghanistan.

Please accept my personal thanks for this donation. Your generosity to this outstanding program does so much good for our military members, veterans and their family members who are experiencing some very trying circumstances. Your unwavering support is greatly appreciated.

Sincerely,

Pamela Barrington  
JBLM Fisher House Manager

## AN INVITATION FOR MAY

The first weekend in May will find some of us returning to Silverton, Oregon, for a Spring Rally. There are a lot of places in the area to visit. Campers will find The Oregon Garden, Silver Falls State Park, Mt. Angel Abbey and Museum nearby, several breweries and a number of wineries, and, of course, there's Godfrey's where many of us plan to fulfill our wish lists (and fill the backs of our vehicles) for summer gardens. We'll again have full use of the clubhouse where we can prepare meals, plan trips to new (or old) places to explore, or just relax while we catch up on what everyone's been doing and maybe meet some new folks. We are hoping to arrange a tour on Thursday of the Willamette Fruit Company's facility and will update information as we have it. Meals will be simple. **Breakfast** will be provided by your hosts, with the exception of Saturday, when you're invited to the meal served by the park for a fee of \$8.00 (payable to our treasurer, Sibylle); **Lunches** will be on your own or with friends as you're out-and-about.; **Dinner** Thursday will be hot dogs with all the trimmings; Friday is "Dinner Out" at The Wooden Nickle, <https://www.woodennickel.com>; Saturday will see a return of the well-received "Grill Your Protein of Choice" with potluck salads, sides, and desserts. Sunday will feature cinnamon rolls, fruit and juice as we pack up and pull out for the next adventure.

SOUTHERN OREGON RALLY  
June 11-14, 2019  
Oregon Shakespeare Festival (OSF)  
REGISTRATION DEADLINE - May 1

**Don't delay - spaces are limited - Send in your registration TODAY!**

Plan now to attend the NWCC Southern Oregon Rally in Ashland next June. We will be camped at beautiful Emigrant Lake in Ashland, where each campsite will have an unobstructed view of the lake. There is no clubhouse at this park, but we will gather our canopies and chairs, and make our own! The Club has only 10 campsites reserved, so don't wait! Reserve yours as soon as possible. As in the past, this rally will focus on various activities at the Oregon Shakespeare Festival. Among the activities planned is attendance at a matinee performance of the Broadway Musical **HAIRSPRAY**. This will be in the indoor Bowmer Theatre. Following the performance, we will be privileged to watch the sets change from the matinee of **HAIRSPRAY** to the evening show of **AS YOU LIKE IT**.

Back by popular request will be a tour of the OSF Production Building in Talent, which is where all the sets are built, the props are developed, and the costumes are stored. It's a one-of-a-kind, state-of-the-art building.

In addition to these activities, we will have our usual continental breakfasts, group dinners, and outstanding fellowship with NWCC members. Mark your calendars now.

## A GREAT "END-OF-SUMMER" RALLY

Casey's Riverside RV Park  
August 26-29, 2019  
46433 Westfir Road  
Westfir, OR 97492

<http://www.caseysrvpark.com>

It's time to start making plans for the August 26 to 29, 2019 rally at Casey's Riverside RV Park in Westfir, Oregon.

Floyd & Joyce Hensley will be your rally masters.

Casey's is a beautiful campground with sites situated facing the rushing water of the Middle Fork of the Willamette River.

This will be an "in on a Monday and out on a Thursday" with 14 Pull-Thru sites (33-34-36-38-39-40-41-42-43-45-46-47-52-53) so get your spot early. All members planning to attend must call 541-782-1960 by July 15, 2019 to secure a site. All remaining sites will be released to the general public on July 16, 2019.

Rally fee \$30/couple & \$40/couple (non-NWCC), which should be paid to Sibylle Beck or via Pay Pal.

Make checks payable to Northwest Country Coachers. More info to come once I have a list of members coming.

Floyd

September 26-29, 2019

*I don't know about you but I'm ready for Spring/Summer!*

*The Prosser Balloon Festival is approximately 7 months away. We have been given notice it is time to start registering if you want to be assured a spot. This is a popular rally and we only have 20 pull thru spots reserved. Because it is such popular event in Prosser, the owner of the RV Park likes us to get registered ASAP so she can release any spots we don't fill from her waiting list.*

*You will need to call **Wine Country RV Park** at **509-786-5192** and indicate that you are with the Northwest Country Coaches. They require direct payment in full and the sites have slight price differences.*

*The cutoff for registration will be 7-1-19*

# This and That

Here is a good list of states where rest stop overnight parking is approved. Oregon, Washington and Idaho are well represented. Good info for when you are underway and cannot find open space in an RV park.

Cheers,  
Herb

<http://rvlife.com/overnight-parking-at-rest-areas/>

If your travel plans include San Diego, thought you might want to check out this county RV park. This close in, 500 acre park with only 120 sites is one of the nicest we have found in the San Diego area. The large hillside sites are hacked out of the chaparral, concrete pads, full hookups and great views from the newer hillside sites. It's a county park so no swimming pools, Pickleball courts or cable. But it does have hiking, wildlife, lake fishing, adjacent Bonita Municipal Golf Course and bridle trails (bring your horses)? And it is only \$33/night, which is a bargain for this area.

Call ahead for reservations. Sweetwater Summit Regional Park, Bonita, CA (619) 472-7572, [sdparks.org](http://sdparks.org)

Don Schleusse sent this press release about the "Sully" Sullenberger appearance in Minot, N.D, August 14-17, 2019

<https://www.prweb.com/releases/true-american-hero-to-address-attendees-at-fmcas-100th-convention/prweb16150056.htm>

There have been several requests recently to have the information about the logos on some of our shirts reprinted, so here it is. If you still have questions, please feel free to contact: Glenda at [glendaserex@gmail.com](mailto:glendaserex@gmail.com) or text to **503-580-5590**.

In 2009, after the occasional off-hand remark by one NWCC member or another, some of the members agreed that it would be nice to have a “club” shirt with a logo representational of the special character of our club. To that end, we set about finding something that might work. We had worked with a lady named Colleen while developing an embroidery pattern for the high school equestrian team with which our daughter and granddaughters have been affiliated. When we saw her at one of the meets in early 2009, she let us browse through all of her catalogs. When we found a design that we thought might do the job and determined that it would be possible to incorporate the CC logo in the finished picture, we sent the idea to the Board for approval. When we next saw Colleen, we sat down at her computer and set up the program for the design on the shirts that were purchased in time for the rally and annual meeting at Premier in Salem in August, 2009, and that you’ll see being sported at rallies.

Then, in 2010, a permanent logo was developed which we now see as the banner on all official documents, our newsletter and our badges. It seemed appropriate to contact Colleen once more to see what she could do about setting up the new image in case someone would like to have it embroidered on a shirt. Her reply was, “No problem!” and she added it to her files. She subsequently put the new logo on a couple of shirts already in our closet and assured me that the logos can be embroidered on nearly anything anyone might want decorated. (She did some camp-chair backs for us recently and also put our names on the “everybody-has-one” carry bags that get so much use at the rallies.)

Colleen keeps both of our NWCC logos in her files, and will gladly put either (or both) of them on one of the many garments in the catalogs on her website, or on one already in your closet. She’s very accommodating that way and will adapt to your needs. She travels to equine events around the Northwest during the season, and may even be at a show near your hometown. Her website calendar will tell you where she’ll be next, if not at home in Corvallis.

Check out her website if you’re interested. She might even have some designs in her catalog for other projects you may have in mind. Tell her Glenda sent you, and, before you ask, no, I’m not on the payroll. I just think she does good work at reasonable prices.
