President's Corner

The FMCA Northwest Area Rally and our NWCCers Pre-Rally were well attended last month by our club members. We had a short business meeting at the pre-rally and opened nominations for the election at the Annual Meeting Labor Day Weekend in Long Beach, WA. You will find more information in the rest of this Newsletter.

Our next planned chapter activity is Labor Day Weekend at Andersen's on the Beach for our Annual Meeting. Our

past rallies at Andersen's have been popular and we hope this year will be no different. Andersen's is right on the beach; in fact, the Pacific Ocean surf is only about a minute walk from your RV door. This is the first time we have planned an event over a holiday weekend and hope the extra holiday time will encourage more of our members to attend. Because it is a holiday weekend, we also need your reservations sooner than in the past. We are holding spaces exclusively for NWCCers through July so we will need your reservation by mid-July so we can compile our reservation list. Reservations received after August 1 will be confirmed if we can still reserve a space for you at Andersen's, but you may not be parked with the rest of the chapter. Please make all reservations for Labor Day weekend through NWCCers.

Make your reservation online at <http://nwccers.org/Rallies/LongBeachReg.htm> or use the mail-in form that you will find later in this Newsletter.

We have gained a few new members since the first of the year and still have two coupons available for recruiting new members to FMCA and our chapter (coupons available first come, first served). If you recruit a new member who is not an FMCA member, have them fill out their FMCA application and then contact me to reserve one of the FMCA new-member coupons. Once a coupon is confirmed send their FMCA application (no fee required) to me with their NWCCers membership application (\$50 check to NWCCers). I will attach the FMCA coupon that will waive their FMCA application fee and their first year FMCA dues (\$50 savings) and forward their application for processing. New applicants will still need to pay the NWCCers \$25 application fee and \$25 for their first year dues (total \$50 to NWCCers).

President's Corner continued....

I'm now in month eight of full timing in my Intrigue. I have stories to tell around the campfire (ask the folks who went to Hoodsport in May about my awning demonstration!). Next campfire, ask me how many people it takes to change the wiper blades on a 2007 Country Coach Intrigue! And then there is my Country Coach ghost that has been with me since I picked up the coach at the factory. His first manifestation was the fuel gage, then the front end steering, later he played havoc with the Intelitec lighting (ask me about the 70s disco trip back from the Washington coast a couple years ago). Now, he occasionally turns on one or another TV for no apparent reason (the living room TV just came on as I'm typing this--no, there are no timers set)! But after all is said and done I'm very comfortable. My coach is all electric and has been serving me, Windsor and Covington, the kitties and my resident Country Coach ghost well. I certainly don't miss having to fetch propane to keep the kitchen running. I have to admit that the heat/AC thermostats are still a mystery to me. The temperatures that the thermostats report have little or nothing to do with the

temperature in, around or anywhere near the coach. If any of you have found a solution I'd be interested to hear how you solved the idiosyncrasy.

We have completed our annual dues renewal process and hope to prepare our first-ever membership directory for distribution to all the members. I hope to have the directory ready to distribute at our Annual Meeting. The printed directory will include your mailing address, telephone number, e-mail address, FMCA number, year you joined NWCCers and your coach information. We plan to later post the directory on a password-protected area of our web site. The online directory will not include your mailing address or telephone numbers. The only contact information will be your e-mail address. If you do not want to be in the directory or do not want information included, please let our Secretary know your wishes before the end of July.

Summer weather is finally settling into the Pacific Northwest. I hope all of you are able to get out and enjoy your Country Coach in our gorgeous corner of the USA!

Here's a new wrinkle for your RV travels, an indoor RV park for 240 coaches? Makes you "feel a little more at home" - Of course, that depends on where home is ... Herb

North Dakota 'Indoor' RV Park Will Open in July

June 22, 2012 by RV Business

North Dakota's first indoor RV park is set to open in late July. KFYR TV, Bismarck, reported that the idea for the project actually started as a joke.

"It was brought up by the builders here, B&H construction. One of their relatives was kind of joking that if he had to work out here and live out here, he would park his RV in a barn," said Property Manager Tyler Sperling.

They wanted to build the park to make people living in RVs feel a little more at home.

"We're going to have on-site laundry service and mail service, vending machines and entertainment," added Sperling. "When RVs move into the unit, everything they need will be ready for them. We're going to have all of their electricity, their water, their septic and propane plugged into their RV, so they only have to hook up once," Sperling added.

One person who lives in an RV park now says the indoor concept would be good for not only him, but for his RV, too. "Indoor your RVs out of the weather, its not going to get froze, and it's more protected," said Jason Moor.

The indoor park is going to be sectioned off so each RV has its own private space, something Moor says he would enjoy. "That would be pretty nice. I like movies, and I like quiet when I sleep, so that would be pretty nice."

Park management also talked to city leaders to make sure the park will meet building codes. "The department of health, we have a lot of bays that we will put in here. So we consulted with them to make sure the park meets building codes," said Sperling.

There will be 240 units available, when the park is finished.

Did You Know?

The July FMCA magazine has an article on installing residential refrigerators in motorhomes. It is not on the cover, it is buried deep (pp. 50-53), but it is there all the same. When the industry starts working around this huge safety issue, consumers are making a difference. Winning. s/Terry Apple, Newsletter Editor

Two of our newest club members attended their first NWCCer & FMCA Rallies. We hope their experiences were good and that they plan on attending more events soon. It was fun getting to know Alan and Ruth Sorensen from Bothell, Washington, and Cathy and John Lamb of Folsom, California. Also, it was Kris and my first meeting of Vern and Sharon Kondra who have attended past rallies in Washington. Fun and interesting people. s/Lee Casebeer

FMCA Pre-Rally Oceanside RV Park Charleston, Oregon

Hosts: Don & Barbara Schleuse
Co-Hosts: Lee & Kris Casebeer

Oregon has some spectacular beaches and Oceanside RV Park is situated next to one of them. Oregon has a lot of green and the reason is rain and we had some during our four days in Charleston. A little liquid sunshine didn't stop 36 hardy Country Coach owners from enjoying each other and the area. Now, don't get me wrong, it didn't rain all the time and it didn't rain so much that we had to stay in our lovely motorhomes and eat leftovers. No, no, no. We ate wonderful dishes provided by creative cooks. I'm sure no one went away hungry for lack of variety to choose from or small servings.

But I get ahead of myself. Let's start at the beginning. When Don and I arrived Friday afternoon, three coaches were already parked--Ray and Liza Down, Vern and Sharon Kondra and Scotty and Louise Bliss. We spent the rest of the day visiting. On Saturday, the official start of the rally, most of the other attendees arrived--Pat and Candayce Detloff, Wayne and Sarah Gabel, Jack and Therese Gordon, new members John and Cathy Lamb, Don and Luana Perry, Ray and Doris Reeves, Rod and Teresa Robbins, Alan and Ruth Sorenson and Jerry and Sue Turnshek. At Happy Hour, the visiting and eating really began.

Sunday bright and early, Lee and Kris Casebeer arrived. At 9:30 we dined on a pot luck brunch in the yurt. Wow, what a selection of delicious food. A surprise visit by Ron Lee brought us to the yurt for an informal get together. Ron told us what's going on at Country Coach and answered questions generated by his comments. He even came bearing raffle prizes. Thank you, Ron. Frank and Dana Suttell, Ken and Linda Harrison and Richard and Joan Whitman pulled in and parked during the day. Sunday, was Father's

Day so we celebrated by carpooling to the Fisherman's Gotto for dinner after Happy Hour. Two members from the Rim Rock Roamers, Pete and Debbie Ribble, joined us for happy hour and dinner.

Since there is so much to see and do in the area, members spread out and did their own thing. Jack Gordon and the Robbins went crabbing. The Gabels and Suttells took the Sorensens geocaching. The Perrys grew up in the area so they took a drive down memory lane. Others sat around relaxing and visiting.

Monday, George and Mary Ann Storey arrived. It was good to see them again even if they now own a SOB. Happy Hour margaritas provided by the hosts began an evening of firsts. The margaritas were followed by Wahdingers for dinner and dessert. To all the ladies that helped me with the Wahdingers, thank you. After dinner, we raffled off the gifts provided by Ron Lee and some of the leftovers from rally. John and Cathy Lamb brought in two lounge chairs for us to auction off with the proceeds going to the chapter. A big thank you to the Lambs and to the winners who shared the chairs, Lee Casebeer and Ray Reeves.

Wednesday morning, those going on to FMCA lined up and were out of the park by 10 am. We waved goodbye to those who were off to other adventures. I hope everyone enjoyed themselves as much as we did hosting the event.

Until we see you again, safe travels.

This year's **FMCA-NW** rally at the Mill Casino in Coos Bay was a different setting from the last one in Albany. The Casino provided some of the duties that **FMCA** chapter volunteers usually do, e.g., security, seminar monitoring. There were about 500 coaches attending.

The **NWCCer** group arrived at the rally dry-camping in a 14-coach caravan after a very enjoyable pre-rally in nearby Charleston. Details on the pre-rally will be covered in the Schleuse's article. We were parked as far away as possible from the casino and activity tent. Luckily, there were shuttle buses for those who did not want the half-mile walk, one way, to the activities, which included most of us. After being parked, we got acquainted with the surroundings and continued our people visitations. Nothing official was on Wednesday's schedule.

Thursday saw the early departure of two from our group due to inverter/generator problems. Doris and Ray Reeves left for Junction City for factory diagnosis and Dana and Frank Suttell moved to a nearby RV park with electrical plug-ins.

Thursday was the chapter fair where our club displayed membership information in an attempt to attract new members. There were lots of interested folks who did not own Country Coaches and only two qualified to be on our interested newsletter e-mail list. The other two "International" CC clubs also had tables at the chapter fair. Candayce and Pat Detloff presented for CCFI prior to departing for a family engagement in Newport. Longtime friend Jane Jordan presented for CCI at the fair and in the vendor area. The off-and-on rain showers did not dampen the Rally atmosphere.

Many voiced their disappointment about the lack of vendors and meaningful seminar subjects, as compared to previous years. The one positive comment I heard over and over again was how friendly and helpful the casino staff was. The town's people were also very supportive of the rally. Don Schleuse gave an

excellent presentation on geocaching to a standing-room-only crowd on Friday. Many missed Friday evening's entertainment by going downtown for dinner. Prior to the Saturday evening Salmon Bake dinner, there was a demonstration by the casino's executive chef on the salmon being baked in a pit, the traditional native America way. Shortly after the dinner, a steady rain began to serenade us to sleep in preparation for our long drives home on Sunday.

Kris and my primary reasons for attending the rallies were to support our club and to socialize with friends that we do not see frequently enough. The interaction with our club members was very enjoyable and priceless. Next year's NW region event is in August, back in Albany. We would not hesitate to attend another club pre-rally. We look forward to seeing more of our NWCCer friends at future events.
