President's Corner

How time flies! It's February already, and I hope that everyone is having a safe and healthy year so far.

If things continue to go well, we have 3 rallies in place for 2021 and even one scheduled for 2022. They are:

Casey's on the River--8/30/2021 --
9/2/2021 (13 sites and clubhouse)

**<https://www.caseysrvpark.com/>

Prosser Balloon Festival--9/22/2021 --
9/27/2021 (20 sites and clubhouse)

**<http://www.winecountryrvpark.com/>

Thanksgiving Rally--11/24/2021--
11/28/2021 (10 sites and clubhouse)

**<https://heeheeillahee.com/>

Oddfellows/Florence--03/10/2022--
03/13/2022 (10 sites and clubhouse)

**<http://www.jessejonesioofpark.com/>

We still need wagon-masters for Prosser and HeeHee, so if you want to be part of this, we will need some members to step up. The board can't do everything. If covid-19 is still restricting our lives, we may have to forgo the clubhouse and just have a rally to conform to the state and park rules. No one knows how this will all turn out.

To all our NWCC members and their friends, we wish you good health and safe travels in these trying times.

For RVers passing through Ontario, Oregon, there aren't too many choices for overnighting – Walmart is the presumed option. But a 170-site RV park could be in the works. The city's planning commission is set to hear its proposal on February 8, and provided the matter flies, the developer could be turning dirt as early as late spring. With "wider than average" RV sites, the park would be constructed at SE Third Avenue and SE Fifth Street.

The following link from Herb Harris might lead you to an employment opportunity , but **only** if you're willing to down-size!!!.

Occasions to celebrate in February

NWCC is hoping to have plans in place soon for a 2021 Rally season and needs your input. Planning a rally calendar is always challenging with trying to balance RV Park availability and the needs of our members. This year, planning is further complicated by COVID restrictions. We need to know your thoughts and desires for NWCC rallies in 2021. We have a few gatherings planned for the summer and fall months which we hope will be possible with whatever COVID restrictions are in place as each planned rally approaches. We are mindful of the risks of traveling during this COVID era and will comply with any COVID restrictions in place during our rallies. We need to know what level of restrictions you, our members, consider safe enough to allow for attendance at a rally. Please complete the [Membership Rally Survey 2021](#) posted in the Members Only section of our [web site](#). You should be able to complete the short survey in less than 5 minutes. Your input is important, so please do the survey now while you are thinking about it. Your password is your FMCA number including all capitalized letters and no spaces. [Click here to access the survey](#) or go to our web site at www.nwccers.org and open the Members Only section.

MEMBERS' CORNER

We are, sadly, having to cancel the March rally in Florence, Oregon. With the current restrictions and the uncertainty as to when they will begin to lessen, we feel this is the best policy at this time. May all this end soon so that we can return to spending time with our special RV friends.

Frank and Dana

Many thanks to Herb Harris for this article he sent to us from RVtravel.com [The available supply of RV sites in California's Silicon Valley is going to shrink. The 158-site Garlic RV Park in Gilroy, California, has been sold out to a conglomerate that will convert the RV sites into tiny homes. The developer, Harmony Communities, says the 400-square-foot homes will sell for less than \\$90,000 and be, "the largest influx of affordable homes the area has seen in the last 20 years." The outfit says they'll be installing solar panels to cover 95% of the needs of residents by year's end.](#)
